**Sheikh Mohammad Ishak Multani**

Urdu Kitab Ek Hazar Anmol Moti se  
lipyantaran kiya he.

**Hadsat Ek Kasauti He**

Kis kadar pakija he vo jaat jo apne buro ko  
unke vatan se dur karke aur asbaab ke  
saamne jhuka-kar unka sabar aajmati he  
aur ajmaaish ke jamane me unke johar ko  
jahir karti he,

Dekho Hajrat Nooh (al) apni kaum se  
maar khate huve behosh ho jate he fir  
kuchh dino ke baad kashti me baithkar  
najat paa rahe he aur unke dushman halak  
ho rahe he.

Hajrat Ibrahim (al) aag me dale jaa rahe  
he aur kuchh hi der ke baad salamati ke  
saath nikale jaa-rahe he.

Hajrat Ismail (al) Allah ke hukam ke  
saamne jhuk kar jabah ke liye litaye jaa-  
rahe he, fir bacha liye jaa- rahe he.

Hajrat Yakub (al) ki nigah Hajrat Yusuf  
(al) ki judayi me khatam ho gayi fir milne

ke jariye vapis bhi aa-gayi.

Hajrat Musa (al) bakriya chara rahe he aur fir tarakki karke Allah se baatchit se musharraf ho rahe he.

Aur hamare Nabi Karim ﷺ ko kal tak yatim kaha jaa-raha tha ajib ajib halat aapko ulat palat rahe the jo kabhi dushmano se pohchte the aur kabhi aur tarah se lekin Nabi Karim ﷺ to hira pahad se bhi jiyada sabit kadam he.

Fir dekho fatah Makka ke jariye Nabi Karim ﷺ ki murad haasil ho rahi he aur Nabi Karim ﷺ bade bade badshaho aur hukamrano ko apna laya huva Deen pohcha rahe he,

fir dekho Nabi Karim ﷺ ko le jane vala mehman, malekul maut aa-jaata he aur taklif ki sakhti se pukar rahe he, haai taklif ki sakhti, to jis shakhs ne duniya ke samandar me gaur kiya aur ye malum kar liya ki mauje aapas me kis tarah milti he aur jamana ke dhakko par kaise sabar kiya jaata he vo kisi bala aur musibat ke najil hone se ghabra nahi gaya aur kisi dunyavi rahat par jiyada khush nahi hoga. (Majlise jojiyah)

## **Halat Ki Kisme**

Halat do kisam ke hote he, nemat aur musibat, nemat se khushi hoti he, aur

khushi ki wajah se inaaam dene vale ke saath mohabbat ho jati he, jab ki musibat se bura mehsus hota he, aur musibat kehte vo halat jo nafs ko na-pasand ho. Musibat ki do kisme he, ek musibat ki surat, aur ek hikiki musibat, jis musibat se ghutan aur pareshani badhe vo to gunaho ki wajah se he, aur hakikat me yahi musibat he, aur jis musibat aur pareshani se Allah ke talluk me jiyadati ho, Allah ki itaat aur rajamandi jiyada ho, hakikat me vo musibat musibat nahi he, chahe uski surat musibat ki ho. (1000 anmol moti).

## **Musibato Ki Kisme**

Hajrat Sheikh Abdul Kadir Jilani (rh) farmate he musibato ki teen halate he, kuchh halato me vo ajaab aur Allah ka gussa hote he, aur kuchh halato me vo gunaho ka kaffara, aur kuchh me vo darjat ki bulandi, aur yahi pehchan har ek ki he, agar musibat ki wajah se adami Allah ki takdir par naraazgi aur usse shikayat ho, to ye nishani he Allah ke gusse, naraazgi aur uske ajaab ki, aur agar ye surat na ho, balke uspar sabar kare to ye nishani he gunaho ke kaffare ki, aur agar sabar ke saath Allah ke faisle par rajamandi aur dil me khushi mehsus kare to nishani he darjat ki bulandi ki.

Isse malum huva ki nabiyo aur valiyo ki musibate teesri kisam ki he, aur aam momino ki dusri kisam ki, aur pehli kisam aksar kafiro ka haal hota he.

Allah har musalman ko isse mehfuj rakhe, aamin (kashkol).
